Sir:

The above-captioned application is a continuation of application number 09/774,534 filed on January 31, 2001 to which priority is claimed under 35 U.S.C. §120.

An Information Disclosure Statement (IDS) is being filed concurrently herewith.

Based on our review of the references cited in the IDS and the Examiner's comments in the Notice of Allowance in the parent case (Application No. 09/774,534), we believe the prior art of record does not disclose or fairly teach the claims as allowed in the present invention. As such, applicant is submitting the IDS to become part of the record and not for consideration by the Examiner.

Respectfully submitted,
HAMILTON, BROOK, SMITH & REYNOLDS, P.C.
